Vince, Lynn and Samantha,

Per our discussion yesterday, here are the current Methanol files. Jeff is working on the Charge questions and we'll get a draft next week. Let's plan to map out the activities and timelines to get this out to Glenn Paulson, agency reviewers, peer reviewers, etc. I'll be in DC Weds-Thursday next week. Thanks, and have a great weekend.

John

John,

Here are the materials for the Glenn Paulsen review. I've included the latest versions of the ORD and Administrator Fact Sheets that I have. Use them as you see fit, or not. Below, I've inserted a summary of (1) the major changes since EPR and (2) a prioritization of the EPR comments I distributed at last year's "mark up" meeting.

As we discussed, I will get you the draft Charge Questions early next week. Please let me know if you have questions or need more.

Thanks and regards,  
Jeff

Here is the summary of the changes since peer review. All but the last two bullets were in response to EPR comments.
